MARIALENA ZAFEIRIOU

FASHION DESIGNER

PROFILE

Creative and passionate Fashion Design Graduate with a strong interest in garment design, fashion illustration, styling, and creative development. Skilled in fashion sketching, basic pattern making, garment construction, and portfolio creation. Enthusiastic about exploring different fashion styles, with a particular appreciation for contemporary and streetwear aesthetics. Highly motivated, detail-oriented, adaptable, and eager to grow within the fashion industry while continuously developing new skills and creative ideas.
